## Katong AI Night

Connect with AI builders and makers

## Connect with AI builders and makers

Tue 30 Jul, 07:00 PM to 10:00 PM

Join us for an evening of connecting with fellow AI enthusiasts, builders, and creators in the heart of Katong, away from the busy CBD. No slides, no pitches - just real conversations in a relaxed setting.

### What makes this unique:

When it comes to AI, it's easy to get lost in deep technical discussions about the latest specs, but what really matters is how we apply these technologies to solve real-world problems and create value. This intimate gathering in Katong provides a refreshing opportunity to step back from the technical details and focus on the human side of AI innovation.

### What to expect:

A fireside chat, lots of opportunities to connect with people, and a surprise or two. We're creating a cozy atmosphere where you can relax, share stories, and maybe even make new friends. For those who are keen to stay longer we may even explore what the beautiful Katong neighborhood has to offer on a late Tuesday night!

### Details:

Katong AI Night takes place at Crane, Joo Chiat from 7:00pm - 10:00pm. The tickets are priced at \$5.

### Meet your host:

Uli is passionate about bringing people together to tackle the big challenges of our time. Electric Minds was born from the belief that the most impactful solutions emerge when diverse minds connect and collaborate. Through events like Katong AI Night, Uli aims to create spaces where AI enthusiasts, builders, and creators can share ideas, form partnerships, and inspire each other to push the boundaries of what's possible.

### Terms & conditions:

- No refunds are allowed
